Yuchai YCK14N Engine Named One of the "China Heart" Top 10 Commercial Vehicle Powertrain Systems

16/11/26

SINGAPORE, Nov. 16, 2026 /PRNewswire/ -- **China Yuchai International Limited (NYSE: CYD)** ("China Yuchai International" or the "Company"), one of the largest powertrain solution manufacturers through its main operating subsidiary in China, Guangxi Yuchai Machinery Company Limited ("Yuchai"), today announced that the Yuchai YCK14N natural gas engine was one of the engines awarded the title of "China Heart" 2026 Top 10 Commercial Vehicle Powertrain Systems. The YCK14N was recognized for its exceptional power, fuel economy, reliability, and market performance.

The annual "China Heart" Top 10 Powertrain Systems selection is amongst China's three most prestigious engine awards. The expert judging panel evaluates entries through a rigorous process that includes technical presentations, static vehicle inspections, and dynamic performance testing.

The industry-recognized accolades earned by Yuchai are from the renowned technical experts in large-displacement natural gas powertrains. The Yuchai YCK14N natural gas engine has undergone rigorous testing, including over 10 million kilometers of real-world road trials and demanding evaluations in extreme high-altitude, high-temperature, and cold-weather environments.

The Yuchai YCK14N combines its best-in-class large displacement with exceptional fuel efficiency to deliver lower operating costs for users. Since its launch in 2024, both sales and market share have doubled.

Weng Ming Hoh, President of China Yuchai International, commented, "Yuchai serves a wide range of industries, including commercial vehicles, agricultural equipment, construction machinery, marine applications, and power generation. Guided by a diversified technology strategy, we continue to advance gas-engine innovation and refine our product offerings to meet the unique requirements of its customers. These efforts enable Yuchai to provide reliable and efficient power solutions that support sustainable growth and a lower-carbon future."

About China Yuchai International

China Yuchai International, through its principal operating subsidiary, Guangxi Yuchai Machinery Company Limited ("Yuchai"), is one of the leading powertrain solutions manufacturers in China. Founded in 1951, Yuchai maintains a reputable brand name, a strong research and development team, and a significant market share in China. Yuchai specializes in the design, manufacture, and sale of light-, medium- and heavy-duty engines for trucks, buses, pickups, construction and agricultural equipment, and marine and power generation applications. It delivers a comprehensive portfolio of powertrain solutions, spanning traditional diesel and natural gas engines to alternate fuels and new energy products, including pure electric, range extenders, hybrid, and fuel cell systems. Through an extensive network of regional sales offices and authorized customer service centers, Yuchai distributes engines directly to auto OEMs and distributors while providing after-sales services across China and globally. In 2025, Yuchai sold 461,309 engines and reported total revenue of RMB 24.6 billion. For more information, please visit http://www.cyilimited.com.
