**FOR IMMEDIATE RELEASE**

**Singapore (August 3, 2007)** — On July 11, 2007, the Audit Committee of China Yuchai International LTD (“CYI”) received information regarding potential accounting errors of approximately RMB123 million (approximately \$16.5 million) and RMB45 million (approximately \$6 million) by its subsidiary, Guangxi Yuchai Machinery Company Limited (“Yuchai”), in Yuchai’s accounts for fiscal years ended December 31, 2005 and December 31, 2006.

As a result, on July 12, 2007, the Audit Committee of CYI requested internal audit to independently review the circumstances of the accounting entries in question. Based on that review, the Audit Committee has decided to conduct an independent inquiry into the facts and circumstances of the accounting entries, and any related issues, and is in the process of retaining independent counsel to conduct such an inquiry and to advise the Audit Committee.

Depending upon the results of the independent inquiry, the RMB168 million entries may have to be reversed, which would result in a decrease in CYI’s profits for 2005 and 2006, thus necessitating a restatement of the financial statements in question. CYI will make no further statements regarding the independent inquiry or the potentially erroneous accounting entries until the completion of the independent inquiry.
